Example of a completed project...

How to Build a snowman

Students can practice their expository writing skills with this fun winter craftivity!

Materials:

- snow globe template
- snowman template
- writing template
- construction or cardstock paper
- scissors
- glue stick
- crayons or markers
- white glue
- shaving cream
- disposable bowls or cups
- cotton swabs (q-tips)

Directions:

1. Print and copy the writing template (page 6 or 7) for each student.
2. After discussing the steps on how to build a snowman as a class, have students write the steps themselves on their paper.
3. Print and copy the snow globe template (page 4) on colored construction paper or cardstock.
4. Students will cut out the snow globe.
5. Print and copy the snowman template (page 5).
6. Have students color and cut out the snowman parts. Glue them "inside" their snow globe.
7. To make "puffy paint": mix equal parts of shaving cream and white glue into disposable bowls or cups.
8. Have students add ""snow" and "snowfall" by dipping their cotton swabs into the puffy paint. Let dry.
9. Back their writing onto a piece of construction paper and attach the snow globe to the top.

Finished projects make a great winter themed bulletin board display!
